

## COOKIE POLICY

### What's a cookie?

- A "cookie" is a piece of information that is stored on your computer's hard drive and which records how you move your way around a website so that, when you revisit that website, it can present tailored options based on the information stored about your last visit. Cookies can also be used to analyse traffic and for advertising and marketing purposes.
- Cookies are used by nearly all websites and do not harm your system.

If you want to check or change what types of cookies you accept, this can usually be altered within your browser settings. You can block cookies at any time by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

### How do we use cookies?

- We use cookies to track your use of our website. This enables us to understand how you use the site and track any patterns with regards how you are using our website. This helps us to develop and improve our website as well as products and / or services in response to what you might need or want.
- Cookies are either:
  - Session cookies: these are only stored on your computer during your web session and are automatically deleted when you close your browser – they usually store an anonymous session ID allowing you to browse a website without having to log in to each page but they do not collect any personal data from your computer; or
  - Persistent cookies: a persistent cookie is stored as a file on your computer and it remains there when you close your web browser. The cookie can be read by the website that created it when you visit that website again. We use persistent cookies for Google Analytics.
- Cookies can also be categorised as follows:
  - Strictly necessary cookies: These cookies are essential to enable you to use the website effectively, such as when buying a product and / or service, and therefore cannot be turned off. Without these cookies, the services available to you on our website cannot be provided. These cookies do not gather information about you that could be used for marketing or remembering where you have been on the internet.
  - Performance cookies: These cookies enable us to monitor and improve the performance of our website. For example, they allow us to count visits, identify traffic sources and see which parts of the site are most popular.
  - Functionality cookies: These cookies allow our website to remember choices you make and provide enhanced features. For instance, we may be able to provide you with news or updates relevant to the services you use. They may also be used to provide services you have requested such as viewing a video or commenting on a blog. The information these cookies collect is usually anonymised.

The first party cookies used on our site, <http://anneleatherland.co.uk> are listed below. These are needed for the site to function properly.

Name of Cookie	Purpose & Type	Strictly Necessary
Cookie Consent	<b>A java script plugin.</b> To alert you about use of cookies on the site.	Yes

wp-settings-time-1	For customisation of the administrator's interface and display. Expires in 1 year.	Yes
wp_woocommerce_session_	<b>WordPress session cookie:</b> Gives a unique code for each customer so it can find the cart data for that customer. No personal details are stored. Expiration is configurable (linked to expiration of the shopping cart).	Yes

### Third party cookies

These are provided by Google (NID-) to remember your preferences when you use the browser, and by Google Analytics to collect anonymous data about how the site is used. [You can get more information on the cookies that Google Analytics stores in your browser at this link.](#)

You do not have to allow us to use these Cookies, however whilst our use of them does not pose any risk to your privacy or your safe use of our Site, it does enable us to continually improve our Site, making it a better and more useful experience for you.

You may also disable other cookies, but please be aware that the website may not function properly if you do.

The links below provide instructions on how to control Cookies in all mainstream browsers:

- 1.1.a.1. Google Chrome: <https://support.google.com/chrome/answer/95647?hl=en-GB>
- 1.1.a.2. Microsoft Internet Explorer: <https://support.microsoft.com/en-us/kb/278835>
